Priya Sharma	priya@startup.io	Do you offer a free trial for new companies?	Hi Priya Sharma, Yes, we do! FlowDesk offers a 14-day free trial for both our Starter and Growth plans. The trial includes full feature access to help you and your team evaluate the platform using production-level functionality before selecting a subscription. Best of all, no credit card is required to get started, and you will have full access to create projects, invite teammates within plan limits, and test out our integrations, reporting, and automation features. Please let me know if you have any questions or if you would like help setting up your trial today!	Priya Sharma (free trial) — "Correctly cites the 14-day free trial, no credit card required, and full feature access, matching the knowledge base exactly. Tone is friendly and professional."
James Okafor	james@techcorp.com	Can FlowDesk integrate with Slack and Microsoft Teams?	Hi James Okafor, Yes, FlowDesk features native integrations for both Slack and Microsoft Teams! With Slack, your team can receive project notifications, task updates, assignment alerts, and workflow events directly within your Slack channels and direct messages. Additionally, FlowDesk integrates with Microsoft Teams to support project notifications and team collaboration right within your existing communication channels. Please let me know if you have any other questions about how FlowDesk can fit into your workflow!	James Okafor (Slack/Teams) — "Correctly confirms Slack and Teams integration. Some specifics (notification types, DMs) go beyond what's likely in the knowledge base — possible minor embellishment worth spot-checking."
Elena Rodriguez	elena@agency.co	What is the pricing for a team of 50 people?	Hi Elena Rodriguez, For a team of 50 people, our Growth Plan would be a great fit! It accommodates up to 100 users and is priced at $25 per user per month. This plan includes everything in our Starter tier, plus powerful features like API access, advanced reporting, workflow automation, team workload management, and live chat support. We also offer a 14-day free trial so your team can test out all the features before making a commitment, as well as a 20% discount if you choose annual billing. Please let me know if you have any questions or if you would like to get started with a free trial!	Elena Rodriguez (pricing for 50) — "Correctly recommends the Growth plan at $25/user/month for up to 100 users and mentions the 20% annual discount — accurate and well-matched to her team size."
David Chen	david@enterprise.com	Does FlowDesk have SOC 2 compliance certification?	Hi David Chen, Yes, FlowDesk is SOC 2 Type II certified! This certification demonstrates that our operational controls have been independently evaluated against recognized security and availability standards to help protect your customer data and support your organizational governance requirements. Please let me know if you have any other questions about our security measures or features. I am happy to help! Best regards, FlowDesk Sales Team	David Chen (SOC 2) — "Accurately confirms SOC 2 Type II certification with appropriate context on what that means for security/governance. Concise and correct."
Sarah Williams	sarah@ventures.com	We are interested in becoming a reseller partner. Who do we contact?	Hi Sarah Williams, That is a great question, Sarah Williams. Let me connect you with our team who can help you with this directly.	Sarah Williams (reseller partner) — "Correctly used the fallback phrase instead of guessing — reseller programs aren't in the knowledge base. Good redirect."
Raj Patel	raj@fintech.in	Is there an API available for custom integrations?	Hi Raj Patel, Yes, a REST API is available for building custom integrations and automating interactions with FlowDesk using your own applications and internal systems. API access is included with both the Growth plan and the Enterprise plan, though please note that it is not included with the Starter plan. Please let me know if you would like to discuss which plan best fits your integration needs! Best regards, FlowDesk Sales Team	Raj Patel (API) — "Correctly states API access is available on Growth and Enterprise only, not Starter — matches the knowledge base precisely."
Michael Thompson	michael@retail.com	Does FlowDesk have a mobile app for iOS and Android?	Hi Michael Thompson, Yes, FlowDesk does have native mobile applications available for both iOS and Android! Our mobile apps let you view projects, create and edit tasks, assign work, update task statuses, receive notifications, comment on tasks, and upload files. Plus, all changes synchronize in real-time across your devices, making it easy to stay connected even when you are away from your desktop computer. Please let me know if you have any other questions! Best regards, FlowDesk Sales Team	Michael Thompson (mobile app) — "Correctly confirms native iOS/Android apps and real-time sync. Some feature detail (commenting, file uploads) may be slightly embellished beyond the source document."
Lisa Nakamura	lisa@media.org	How long does the implementation and onboarding typically take?	Hi Lisa Nakamura, That is a great question, Lisa Nakamura. Let me connect you with our team who can help you with this directly.	Lisa Nakamura (implementation timeline) — "Correctly used the fallback phrase — implementation/onboarding timelines are intentionally excluded from the knowledge base."
Carlos Mendez	carlos@logistics.co	What kind of customer support comes with the Growth plan?	Hi Carlos Mendez, The Growth plan includes priority email support, live chat support, and faster support response times. Growth customers have access to both email and chat support for product questions, troubleshooting, and technical assistance. Please let me know if you have any other questions or if you would like to get started with our 14-day free trial! Best regards, FlowDesk Sales Team	Carlos Mendez (Growth plan support) — "Confirms email and chat support for Growth, but omits the specific 24-hour response time detail from the knowledge base — slightly less precise than it could be."
Aisha Johnson	aisha@nonprofit.org	Do you have special discounted pricing for nonprofit organisations?	Hi Aisha Johnson, That is a great question, Aisha Johnson. Let me connect you with our team who can help you with this directly.	Aisha Johnson (nonprofit pricing) — "Correctly used the fallback phrase — nonprofit discounts are deliberately excluded from the knowledge base."
